Full Circle Playground:

Our Full Circle playground is appropriate for children ages 5 - 12.

Our Building:

Our building has limited restrooms and classroom space and is only open during scheduled programs.

About the Patrons of the Trumbull Nature & Arts Center:

We are a 501(c)(3) non-profit organization that runs the programming and fundraises for TNAC. Your donation allows us to offer low-cost or free Environmental-STEM programs to our community. To find out more, snap a photo of the QR code, or visit our website: trumbullnatureandartscenter.org
